and the sentiment animating its people.

No civilized people can afford to defy, or treat with contempt, the opinion which their neighbors may have of them. In our day men act upon such opinions, and their actions may be such as to destroy or build up the prosperity of the Oswego and Maryland railroad through people of whom these opinions are cateriained. We of the south should be laid are overflowed, and in some of beef, mustard, lemons, bed pans and mediparticularly sensitive upon this question of public opinion. We have a magnificent territory capable of great results, but our system of labor is demoralized, ed by a heavy rainstorm, which headquarters, it had non-street and our population too thinly scattered to lasted several hours. We genaccomplish these results. We need the invigoration of capital and the vitalization of structure accomplish these results. We need the invigoration of capital and the vitalization of strong men from any part of the christian world. Without these two elements we must piod along the thorny path of semi-indigence in a half-developed country. We can procure both if we only bury the dead corpse of politics, the miserable cant of party, and turn our attention to building up the waste of the followed by a sympathetic sicilan or one of the floward committee. Physicians control of Adams street, at it Madison. The following physicians are employed by the association: Doctors S. J. Morrison, Sol. P. Green, C. Happoint, W. J. Armstrong and E. W. Morgan. Physicians will secure blanks at ofther officers of the floward committee. Physicians for applicants north of Adams street, at it Madison. The following street, at it Mad our attention to building up the waste frost, and frost to Memphis is almost as places of our beautiful country.
